

[Docket No. CP96-815-000]**Columbia Gulf Transmission Company; Notice of Request Under Blanket Authorization**

October 4, 1996.

Take notice that on September 26, 1996, Columbia Gulf Transmission Company (Columbia Gulf), 1700 MacCorkle Avenue, S.E., Charleston, West Virginia 25314-1599, filed in Docket No. CP96-815-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.211) for authorization to construct and operate a new delivery point to accommodate deliveries of gas to the City of Pontotoc (Pontotoc) in Pontotoc County, Mississippi, under Columbia's blanket certificate issued in Docket No. CP83-496-000, pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Columbia Gulf proposes to construct and operate the new delivery point, in order to deliver up to 400 dt equivalent of natural gas per day to Pontotoc on a peak day and up to 146,000 dt equivalent on an annual basis. It is stated that the end uses of the gas will be residential, commercial and industrial. Columbia Gulf proposes to transport gas on a firm, backhaul basis, under its FTS rate schedule. The cost of the facilities is estimated at \$170,000, for which Columbia Gulf will be fully reimbursed by Pontotoc. It is asserted that because the deliveries will be the result of backhaul transportation, there will be no impact on Columbia's peak day obligations to its other customers resulting from the proposed delivery point.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for

authorization pursuant to Section 7 of the Natural Gas Act.
